

WARRANTY DECAL

ARE PICK-UP OR DELIVERY CHARGES COVERED BY YOUR WARRANTY?

The WEDA Warranty Decal is designed for use on lawn and garden equipment as well as farm and industrial equipment. It can be placed on the dash board of the unit in constant view of the operator.

These top-quality pressure sensitive chrome mylar warranty decals are furnished with black background with chrome letters and outside border. They have the popular EASY-RELEASE backing paper.

- * Clearly state your policy regarding pick-up and delivery.
- * Serve as a constant reminder to the customer.
- * Help eliminate arguments when service is required during the warranty period.
- * Are unobtrusive, yet visual and attractive.

In most cases, the manufacturer's warranty does not cover pick-up and delivery charges you incur.

With trucking costs soaring, you can't afford to provide free pick-up and delivery when you don't recover these costs from the manufacturer.
